

Remarks:

This preliminary amendment is being submitted in an effort to correct informalities and typographical errors appearing in FIG. 1.

Please approve the corrections to FIG. 1 marked in red on the attached new FIG. 1. Specifically, the access line devices 6 have been correctly numbered and reference numeral 16 has been replaced for numeral 6.

All of the changes are properly supported in the original application. No new matter has been added.

An early action on the merits of the application is solicited.

If an extension of time for this paper is required, petition for extension is herewith made.
